

To MAAC Members,

We are excited as we look forward to our 50 year anniversary in 2020. As part of our gearing up for MAAC's 50th anniversary, we would like all of you to participate! We invite you to create a special logo that will be used for this meeting and other events and we want you to design it! Please take a look at our current logo for inspiration <https://www.maacmidatlanticarchaeology.org/>

Please submit your designs in any graphic image format you want (i.e., jpg, tiff, png). Things that need to be part of the logo are the trowel, the mid-atlantic states and "50th".

Please submit your designs by the end of the day May 1st. The MAAC Executive Board will choose the winning design. This logo will be used on all Anniversary merchandise that we will be getting for next year's Conference and events. Please email them to me and make sure that you include your full name and organization/school.

Thank you again for being members of MAAC!

Gregory D. Lattanzi  
MAAC President
