

Dear MAAC Members,

As you may know next year will be our 50th Anniversary! We all want to make our conference special and to that end I am asking for you, the MAAC membership to participate.

The Board is soliciting program ideas and suggestions for not only this Anniversary meeting but subsequent meetings. We know that we cannot include everything so at least this way we will have plenty of other ideas for following years.

These ideas and suggestions can be related to session topics, workshops, tours, or anything related to Middle Atlantic Archaeology and our mission.

Please send all your ideas and suggestions to me at gregory.lattanzi@sos.nj.gov

Thanks again for being a member of MAAC and your support and participation.

Thanks, Gregory Lattanzi
MAAC President
